

5 SIGNS YOUR CHILD IS MEMORIZING, NOT READING

1

Uses Pictures as Clues

- relies solely on pictures to guess the text.

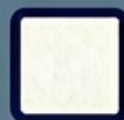

2.

Knowledge Limited to Familiar Books

- struggles with words outside of a known context.

3.

Recites Pages without Comprehension

- knows the text by heart, without identifying words.

4.

Substitutes Confusable Words

- uses synonymous words instead of reading the print.

5.

Finds difficulty with Simple, Unfamiliar Decodable Words

- is unable to sound out new, basic words.
